

CITY OF GROVELAND

PAVERS APPLICATION CHECKLIST/REQUIREMENTS INITIAL EACH ITEM

- Completed Application including property records card (can be found at www.lakecopropappr.com)
Application Signed by Owner or Paver Installation Company completely filled out.
Site Plan/Survey showing location of Pavers. Total impervious area to be calculated using City's Impervious Surface Calculations Form, including new area covered by Pavers.
Written H O A approval (if required by your Association) needs to be included with your application
Disclosure Statement if work is being done by an owner builder.
Notarized Easement Waiver filled out and attached, if you are putting pavers in an easement, form attached
Once pavers are installed you must request inspection (within 7 days of completion) by calling City of Groveland at 352-434-7184.
Post permit on front door during paver installation and for final inspection.

I have read the above checklist and initialed all the statements that apply to my Zoning Paver Permit request. I understand it is my responsibility to have the pavers installed per my approved site plan.
